1. The above results have been approved by the audit committee and have been approved and taken on record by the Board of Directors at their respective meetings held on April 26, 2021. The financial results for the quarter and the year ended March 31, 2021 have been subjected to audit by the statutory auditors of the Company. The report thereon is unmodified. The information presented above is extracted from the audited financial statements for the year ended March 31, 2021.
2. Management has exercised necessary due diligence to ensure that the said comparative results provide a true and fair view of its affairs.
3. The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended. The Company has consistently applied its significant accounting policies in the preparation of its quarterly financial results and its annual financial statements during the years ended March 31, 2021 and March 31, 2020.
4. Information as required by Regulation 52(4) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 is as per Annexure "1" attached
5. Previous period's/year's figures have been regrouped / reclassified wherever necessary to correspond with the current period's/year's classification /disclosure.
6. During the year ended March 31, 2021, the Company has allotted 15,68,662 equity shares of Rs 10/- each pursuant to exercise of options under the approved employee stock option scheme.
7. There is only one reportable segment ("Credit cards") as envisaged by Ind AS 108 Segment reporting, specified under section 133 of the Companies act 2013, read with Rule 7 of the Companies (Accounts) Rules 2014. Further, the economic environment in which the Company operates is significantly similar and not subject to materially different risk and rewards.
8. The impact of COVID-19, including changes in customer behavior and pandemic fears, as well as restrictions on business and individual activities, has led to volatility in Indian financial markets and a decrease in local economic activities. The slowdown during the year led to a decrease in the use of credit cards by customers and the efficiency in collection efforts. This may lead to a rise in the number of customer defaults and consequently an increase in provisions there against. The extent to which the COVID- 19 pandemic, including the current "second wave" that has significantly increased the number of cases in India, will continue to impact the Company's results will depend on ongoing as well as future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government-mandated or elected by us. The Company based on current estimates has created additional management overlay on expected credit loss

(ECL) on loan balances amounting to Rs 297 Crores. The impact of COVID-19 on the Company's financial statements may differ from that estimated as at the date of approval of these financial statements.

9. The Honourable Supreme Court of India (Hon'ble SC), in a public interest litigation (Gajendra Sharma Vs. Union of India & Anr), vide an interim order dated September 03, 2020 ("Interim Order"), had directed that accounts which were not declared NPA till August 31, 2020 shall not be declared as NPA till further orders. Accordingly, the Company did not classify any account which was not NPA as of August 31, 2020 as per the RBI IRAC norms, as NPA after August 31, 2020.

If the Company had classified borrower accounts as NPA after August 31, 2020, the Company's proforma Gross NPA ratio and proforma Net NPA ratio at December 31, 2020 would have been 4.51% and 1.58% respectively.

The interim order granted to not declare accounts as NPA stood vacated on March 23, 2021 vide the judgement of the Hon'ble SC in the matter of Small Scale Industrial Manufacturers Association vs. UOI & Ors. and other connected matters. In accordance with IND AS 109 as well as in line with RBI circular dated April 07, 2021 issued in this connection, the Company has continued with the asset classification of borrower accounts. The Company's Gross NPA and Net NPA as of March 31, 2021 is 4.99% and 1.15% respectively vs 2.01% and 0.67% respectively as of March 31, 2020.

10. In accordance with RBI circular dated April 07, 2021, the Company shall refund / adjust 'interest on interest' to all categories of eligible borrowers including those who had availed of working capital facilities during the moratorium period, irrespective of whether moratorium had been fully or partially availed, or not availed. Pursuant to these instructions and IBA notification bearing reference No. CIB/ADV/MBR/9833 dated April 19, 2021 on methodology for calculation of the amount of such 'interest on interest', Company has formulated a Board- approved policy for such refund and also recognised a charge of Rs. 4.17 Crores in its Statement of Profit and Loss for the year ended March 31, 2021.

Our objectives are to obtain reasonable assurance about whether the financial results as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Results, including the disclosures, and whether the Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
