worker and is presently the president of RWA Yuva Sangarsh Samiti and Chairman of Amiro Yuva Brigade.

2. That my client, who is a muslim by faith, is fond of playing Rummy with his friends, offline since considerable time. My client knows that the Rummy is a simple card game involving skill and is played for entertainment.
3. The you the noticee are a social influencer and by proclaiming yourself as a health and wellness expert, you have been speaking on social platforms about various apps. You the Noticee have also introduced your gaming apps and have promoted and encouraged many people to join those apps.
4. That my client came to know with an utter shock while reading your tweets, which are so in discussion, that you are defaming the Rummy app online game on the twitter handle by saying that *"When Rummy & Real Money Gaming guys put full page ads that they are safe But terms and conditions say that they can cause Addiction & Financial loss what should Government Do?"* As a counter, persons from different sections of society have also responded to it. One person namely Vipul S. stated that *"Dangerous!! Government banned paper lotteries! These are worst then that!! Credit card defaulters & debts traps in making"*
5. That my client, who also started playing online Rummy, a few months ago found the content of the tweets very insinuating and defamatory in element and essence. As you the notice through your notice are not only discouraging people to play the game by calling it suicidal but are also labelling the people, who play this game as gamblers including my client.
6. That from your Tweet my client's public image was tarnished as unknown people started calling him Gambler and also used other

offensive words, as my client is fond of playing Rummy online as well. On the other hand, you stated *When Rummy & Real Money Gaming guys put full page ads that they are safe But terms and conditions say that they can cause Addiction & Financial loss.*

7. That you the Noticee are knowingly promoting a wrong notion in society about the game Rummy which is a very popular game and is played by all sections of the society. The Hon'ble Apex Court has also held that "Rummy is a game of Skill and not a game of chance" and online rummy is same as offline rummy as the game does not involve and stakes and cannot be compared to gambling. As my client play Rummy for fun and not in terms of gambling.
8. That my client who is respectable and responsible person of the society, and is a Rummy online player as well is not a part of gambling sport but a game of skill. Due to the Tweet / statement made by you over the social platform on your Twitter account sentiments of my client have been hurt and his image has been tarnished. My Client on account of your irresponsible and defamatory tweets amounting to libeling will initiate with a criminal case against you for hurting his sentiments and the reputation since my client have been alleged that the Rummy is a gambling and as a Muslim gambling is not permitted in his religion.

By virtue of this legal notice, I hereby call upon you to apologize to my client due to your act / Tweet statement on a social platform by defaming equating the Rummy game to gambling and harming my client reputation and hurting his sentiments, within 15 days from the date of receipt of this legal notice, because of your such a false, motivated self-serving comments and in windows duly published on the internet make you liable to be punished Under section 500 & 501
