D. O. NO. CH-DCC/Misc./03/2021

Dated the 16<sup>th</sup> March, 2021

Enclosed herewith is letter No. DG/COAI/2021/053 dated 15<sup>th</sup> March, 2021 received from Cellular Operators Association of India (COAI) regarding treating frontline telecom workers as telecom warriors so as to prioritize them for receiving Covid-19 vaccination.

Department of Telecommunications (DoT) endorses the request of COAI. There is no doubt that the telecom field-force continues to work relentlessly to ensure uninterrupted data and voice services across the country and that in this endeavor the risk exposure for COVID-19 is high.

Accordingly, it is requested that the request from COAI may be considered favourably.

Yours sincerely,
